

Looking for the sustainable development in the Mediterranean

What is the MAVA Foundation?

Family-led
philanthropic
foundation

Focus on biodiversity
conservation

Founded in 1994

Small secretariat
based in Switzerland
with regional office
in Senegal

Conserving biodiversity for the benefit of people and nature by funding, mobilising and strengthening our partners and the conservation community

- Programme Boundaries
- River Basins
- Iconic Sites
- Coastal Wetlands
- Coastlines and MPAs

Towards sustainable development in the Mediterranean

- Water abstraction
- Unsustainable coastal development
- Unsustainable infrastructure
- Wetlands as nature-based solutions

A strong partnership for delivering wetland conservation

Wetlands conservation
benefitting people and
nature
