# THE PLASTIC BUSTERS MPAs DEMO | SUPER CATERERS

- Reduce significantly and/or phasing out single-use plastics (SUPs)
- Coastal food and beverage outlets voluntarily register to a network and commit themselves to comply with a set of good environmental practices - SUPs free Snack Bars
- The 'SUPs-free Snack Bars' is a measure that has been identified as a priority action within the Marine Litter Action Plan of the Strunjan Landscape Park.

# THE DEMO'S MAIN LINES OF ACTION

**Raising  
public  
awareness**

**Promotion of  
prevention  
activities**

**Setting up a  
web  
platform**

**Participatory  
science  
actions**

**Installation  
of a  
sculpture  
and  
„nudging“  
bins**

# RESULTS & IMPACT

- ▶ Some **30 business representatives** were reached and engaged via a workshop: "SUPER CATERER – how to reduce the usage of single-use plastics in the catering business“
- ▶ So far **6 catering businesses** have been implementing the guidelines on reducing the use of single-use plastics
- ▶ One of them has already been awarded with the **‘SUPER caterer’ certificate**
- ▶ More than **350 people** have been directly involved in awareness raising and participatory science activities
- ▶ **Eight fit-for-purpose marine litter datasets** were generated via beach litter survey campaigns
