Session on Accountability for the MIO-ECSDE Network

About the Session

Accountable Now will deliver a 90 minutes session, focusing on the six commitments as identified by the MIO ECSDE Secretariat. Recognising that organisations within the network may have different starting points, contexts, focus and practices, we have shared a commitment handbook in advance to further prepare participants for the upcoming session.

Agenda

- **Introductions and Welcome**
- **About the Global Standard, and the 12 Accountability Commitments**
- **Deep Dive into 6 commitments:**
 - Women's Rights and Gender Equality
